

SAG Motion Spain S.L. – Company presentation

SAG Motion Spain

2021

Welcome to SAG Spain

SAG Spain is operating since 2016, first as SAG France S.A. Sucursal en España and later as the new company SAG Motion Spain S.L., established in 2021. The company is based in Alcalá de Henares, Madrid.

As a TIER1 supplier of aluminum fuel tanks for commercial vehicles, our main activity is the “Just in time” delivery to the main OEM’s in Spain. Also we export to several customers in Europe and Asia.

Welcome to SAG Spain

Integration into the SAG Group

Through the integration of SAG Spain into the SAG Motion Group, the company can more efficiently draw on the resources of the SAG Group and its many years of experience in development, production, quality and sales.

The SAG Group produces its product portfolio for the largest European markets for commercial vehicles, special trucks and machine equipment, passenger cars and the railway industry. The company produces air pressure tanks, special products, railway windows and rheocasting parts.
